The creation of Hewlett's first mascot, the Bulldog, has brought about a new spirit which unites the student body. The Bulldog has become more than just a mascot, it is a symbol of our enthusiasm and drive.

From football games to pep rallies, the Bulldog has become Hewlett's number one fan. A thrill spreads among the students in anticipation of the pending game, when the crowd will chant the "ROOSTER" cheer and scream "GO 'DAWGS!" This vivacity has been long awaited at Hewlett High School.

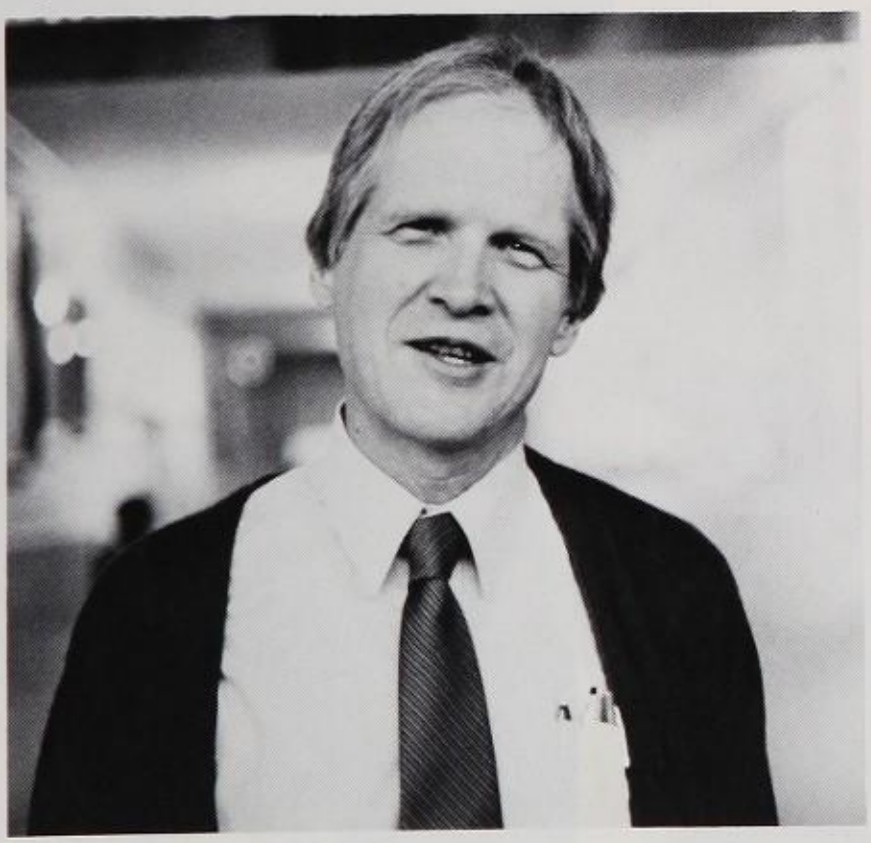
Each class at Hewlett feels the same emotions upon graduating, leaving many memories behind. Our senior class holds special memories because the Bulldog has created a spirit which unites us in a way that holds a deep meaning only to us. The Class of 1986 will forever remember this spirit as we depart from George W. Hewlett High School.

As we salute the Bulldog we dedicate this volume of Patches to Dr. Donald Robbins whose arrival to George W. Hewlett High School in 1983 brought a new dimension to school spirit. As principal, Dr. Robbins has made us aware that there is more to high school than what takes place inside the classroom.

His influence upon the students to create Hewlett's first mascot, the Bulldog, resulted in a new school spirit which stirred throughout the student body. This spirit continued to grow with the beginning of annual events including Pep Rally, Homecoming, Homecoming Dance, and Sportsnight. Not only does he supervise these events, he takes part in them as well.

His desire to involve students with school issues was fulfilled with the formation of the Principal Advisory Committee and the Freshman Advisory Committee.

In spirit of Patches '86 we dedicate this yearbook to you, Dr. Robbins, for showing us how to make the most of our high school days.



"If you want something done ask the busy man-the other kind has no time.

It is often difficult to realize the contributions of any one teacher in a school of so many. During Mr. Hugh Grey's 29 years at Hewlett he has served as Social Studies Department Chairperson and President of the Faculty Association.

Inside the classroom, whether it be American History or Sociology, Mr. Grey creates an atmosphere conducive to learning. From many different perspectives his students gain insight through participating in his stimulating classroom discussions.

Deeply regretting Hugh M. Grey's retirement, we recognize the accomplishments of the "busy man" who helped to establish a tradition of quality education at George W. Hewlett High School. It is in honor of these accomplishments that we dedicate Patches '86 to you, Mr. Grey.

THE WINDS OF SALVATION

Lying down on a cold north beach
The sand blowing through my hair
No one's around, no one's in reach
Into nothing's where I stare
The day was long, not like the rest
We were soaring a great height
I'd seen no wrong, I'd done my best
But you cut the strings of our kite.
You packed so light, left me alone,
And something died that day.
What is right? Death through my bones . . .
The wind is the only way.

Don't you hear my voice cry out,
Singing my masterpiece,
You made your choice, I can't shout
About my life's new lease.
Falling no more, the tears are dry
You once were my great wealth,
It was a chore, but I won't die
Taking turns with myself.
Travelled a distance, took my time
To find my own salvation.
You stuck your lance through my mind,
But the wind was a revelation.

A fire's burning down the beach,
Much too far to see.
Backs are turning, a friend's hard reach,
My past is calling me.
I can stand, but I can't walk
Away from my new place.
An open hand to the sun that talks
Where no ones in my space.
Pebbles slide down the waterfall,
Rocks will turn to clay.
But as it hit, I heard my call,
The wind is the only way.

The heat beat down and cracked the ground
In the valley I was in.
I climbed out, where I found
From where I could begin.
The breezes blew around my soul,
Trying to get inside.
I cut the bow, I made a hole
And somewhere someone cried.
Men continued to prison cages
Want out at any cost,
But that's not me, don't worry none
The wind will keep me lost.

The Bulldogs suffered through another grueling season finishing at 2-6. The team was beset by injury. Key injuries included casualties to starting running backs Frank Basile and Jon Schack. The two victory games were played on home grounds. The Bulldogs first defeated Island Trees and then Clark, by a score of 40-0 which was the highlight of the season, the Homecoming Game. Senior tackle/linebacker Mike Cesario enjoyed a fine season, being named to the senior bowl. Junior quarterback Wayne Potters was named to the all-county team and hopes to bring back the Big Blue Wrecking Crew to football predominance in '86.

This past varsity soccer season was a memorable one. Under the guidance of coach Richard Ilsley, Hewlett's record of 12-2-3 was good enough to capture the Division title and bring Hewlett its highest ranking in New York State ever. The 1985 season will long be remembered by not only those who participated, but those who witnessed it.

The girls' tennis team completed an outstanding season; stealing the Conference II Championship and ending with a 13-0 record. Stephanie Mancusi went to the quarter finals in the country tournament. Stephanie, Cari Strassberg (MVP), and Samantha Schuler went on to compete in the All-Conference division.

With an 11-1 record, the volleyball team had its greatest season ever. They won the Division title for the first time and produced such players as Stacey Greenstein (MVP) - All-League, Nikki Teague - All-Conference, and Josephine Iacuzzo, Joanne Francia, Saara Gutstein, and Carri Leon - All-Division. Hopes for next year include competing in a higher division.

swimming

The girls' varsity swim team completed one of the best seasons Hewlett has seen in years. With a 3-6 record, the new freshmen contributed to the team's new attitude and outlook. Nearly all the old records were broken and swimmers including Heather Stein, Elaine Chiusano, Patty Ju, Lauren Disalle, Jennifer Robertson, and Lauren Long went on to compete in the counties.

cross country

The 1985 cross country team completed their season with an 8-4 record. This record allowed them to finish third in their division, fifth in their Conference, and allowed them to gain entrance into the County Championship where they finished in the top 20. The highlight of the season was the sophomores' team victory in the Suffolk County Coach's Championship.

Fall squad: top: Rachel Harmon (captain), Jill Feldhun (captain). middle: Felicia Ostrick, Liz Orenstein, Roanne Friedman. bottom: Jodi Schwartz, Jennifer Brous, Michelle Kaskel (captain), Michele Ohl.

Varsity cheerleading took a turn for the better this year. Under the great coaching of Lisa Cameira, Hewlett cheerleaders were recognized for the first time as a sports team. They competed in a cheerleading competition, and although they did not place this year they hold a promising future.

top: Melissa Wax. third row: Roanne Friedman (co-captain), Abby Harmon, Erica Denmark. second row: Randi Kravitz, Jennifer Brous (captain), Wendy Rosen. bottom: Marie Dugan, Jennifer Polak, Jamie Gatrenlaub, Jodi Schwartz (co-captain).
